Hatten Wines' Sparkling White is named after the flower Tanjung, Padma or Water Lily, common in Bali's gardens. Tanjung is produced following the traditional method and further developed by keeping the wine one year on its lees. In a refreshing style with aromas of citrus peel and flowers, enhanced by a light creamy yeast influence, this new unique Balinese wine becomes the pride and joy of the island.
Cellaring not recommended.

Dibawah 21 tahun atau wanita hamil, dilarang minum.
